

Peter Mills with his
granddaughter, Maggie

**Maggie was born
owing the state
\$4,600.**

That's every Maine citizen's
share of **\$6 billion** in
unfunded retirement benefits.

It's time to stop passing
on the bills to our children.

It's time for a Governor
who knows how to build a
responsible budget.

For 16 years Peter Mills has
fought reckless spending in
the Maine Legislature.

Peter Mills also has the
business experience to
rebuild Maine's economy.

Maine cannot afford
on-the-job training for
our next Governor.

Peter *it's time*
for proven leadership.
